enhancementsPlus

EnhancementsPlus™ includes

Confirmation services – make sure that all who should be attending the conference have it marked on their calendar. Choose from email, fax or telephone-based options.

Post-conferencing services – extend the shelf life of your conference. Record your conference and let us edit and archive it for you on the media of your choice. We can even host the content to give on-demand access to a group of authorized individuals.

Broadcast services – whether you're looking to maximize participation in a live webcast or conference or simply doing a "blast" of an email or fax, we have the capabilities to meet your needs.

Transcription services – memorialize the content of key conferences and events. Use traditional text transcription services or choose from a variety of recording media.

Translation services – share a transcript of a conference dialog with business partners and colleagues from around the world. We have services that can transcribe content into 140 different languages.

simplify

ConferencePlus believes that conferencing should not only change the way you do business – it should improve your business processes by increasing productivity and simplifying your business day. We are dedicated to making you and your organization look good by providing audio, web and videoconferencing services that help you maximize every meeting opportunity – anywhere, at any time. Our goal is to ensure that each event is a productive, positive, "no surprises" experience.
