

Conferencing White Paper: Investor Relations

Your Investor Relations call may be the most important conference your company holds. How do you manage the potential pitfalls? Are you willing to risk a disaster because your conferencing provider isn't dedicated to making you look good? At ConferencePlus, we understand. We have been providing high touch, high quality IR conferences for over 16 years. You can rely on ConferencePlus to ensure everything goes perfectly because our goal is to provide you with a productive, positive, 'no surprises' experience.

ConferencePlus Meeting Managers will:

- Manage your call so you can concentrate on your audience
- Provide professional, executive level service
- Maintain a high-level view of who's on the call
- Manage question and answer sequencing
- Screen questions to prep executives
- Route questions to the appropriate person

EventManager service:

- Provides online registration for participants, prior to your call
- Allows you to view a real-time list of participants through your web browser
- Gives you online control of the queuing for your Question and Answer session
- Provides a real-time view of your polling results

ConferencePlus provides:

- Reliable, high-quality audio for any number of participants.
- Personalized, branded greeting options.
- Polling and Q&A services to gather audience feedback.
- A Communication line to talk privately with an operator and manage your event.

Not sure which audio conferencing option is right for you?

Simplify

ConferencePlus believes that conferencing should not only change the way you do business – it should improve your business processes by increasing productivity and simplifying your business day. We are dedicated to making you and your organization look good by providing audio, web and videoconferencing services that help you maximize every meeting opportunity – anywhere, at any time. Our goal is to ensure that each event is a productive, positive, “no surprises” experience.
